Do you and your family and friends enjoy playing tennis?

A NEW Tennis Club Committee!

The Tennis Club, with its two courts and Clubhouse is in a wonderful setting overlooking the Village Green. We do have a Maintenance Fund for any work needed in the future.

The current Committee has been running the Club for over 25 years and urgently need "new blood" to come in and inject their enthusiasm in order for the village to continue enjoying this sports facility.

We are financially sound and continue to offer the lowest subscription membership in the Horsham area. We would love to have many new members so that the courts can be better utilised.
