# GO GREEN!

with Treetop Design and Print

treetop  
design & print

Treetop takes sustainability seriously and are sure you do to.

That's why we are:

- **FSC® certified** – our paper is sustainably sourced with assurance that forests are protected
- **Vegan certified** – our materials are certified as animal-free vegan products and our inks are vegetable based
- **Carbon offsetting** – we can provide carbon offset data for your print materials
- **A supplier of ecofriendly merchandise** – we offer a wide range of branded promotional items which are environmentally friendly
